Sculpt Mode

In Sculpt mode you can sculpt the grease pencil strokes.

Sculpt Mode - Brushes Panel

Brush browser

Pick a pencil, and see what pencil is active.

Sculpt Mode - Brush Settings Panel - Smooth Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Sculpt Strokes sub panel

Affect Position

The brush affects the position of the point.

Affect Strength

The brush affects the color strength of the point.

Affect Thickness

The brush affects the thickness of the point.

Affect Pressure

The brush affects the pressure values as well when smoothing strokes.

Affect UV

The brush affects the UV rotation of the point.

Sculpt Mode - Brush Settings Panel - Thickness Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Add / Subtract

Thickness and Strength brush. If this brush should add or subtract to the

sculpt surface.

Sculpt Mode - Brush Settings Panel - Strength Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Add / Subtract

Thickness and Strength brush. If this brush should add or subtract to the sculpt surface.

Sculpt Mode - Brush Settings Panel - Randomize Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Sculpt Strokes sub panel

Affect Position

The brush affects the position of the point.

Affect Strength

The brush affects the color strength of the point.

Affect Thickness

The brush affects the thickness of the point.

Affect UV

The brush affects the UV rotation of the point.

Sculpt Mode - Brush Settings Panel - Grab Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Sculpt Mode - Brush Settings Panel - Push Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Sculpt Mode - Brush Settings Panel - Twist Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Clockwise/Counter Clockwise

If the twist goes clockwise or counter clockwise.

Pinch / Inflate

Pinch brush. If the brush should pinch or inflate.

Sculpt Mode - Brush Settings Panel - Pinch Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Pinch / Inflate

Pinch brush. If the brush should pinch or inflate.

Sculpt Mode - Brush Settings Panel - Clone Brush

Radius

The radius of the brush.

Strength

The strength of the brush.

Sculpt Mode - Brush Settings Panel - Cursor Sub panel

This subpanel shows with all brushes in the Brush settings panel.

Show Brush

Show the brush icon when painting.

Cursor Color

The brush icon color with adding.

Inverse Color
